

Introducing

NHS staff stories
presented by Just R

Giving a voice to the few, to inspire the many.

Presented by Just R, NHS Staff Stories is a website dedicated to celebrating existing healthcare staff and educating the workforce of tomorrow on the possibilities and pathways available within the NHS. The video archive showcases uplifting stories from healthcare professionals who love what they do.

A resource to be shared with and by NHS organisations, educators, parents and the next generation, use NHS Staff Stories to encourage the consideration of careers in healthcare!
